

Mahaska County Soccer Club Coach Evaluation Form

Please take a moment and complete this questionnaire regarding your child's coach performance. Keep in mind that the coach is a parent volunteer and has stepped up to the challenge of teaching your child the fundamentals of youth soccer. This evaluation is meant to be a teaching tool. If the coach has an area of some weakness, the board needs to know this so that the coach can get some further direction. On the other hand, if the coach seems to be stellar in teaching soccer to your child, then he/she should be acknowledged accordingly.

By submitting your feedback, you are helping the Mahaska County Soccer Club to move on to a higher level of soccer enrichment for your kids. Remember, the MCSC is made up of parent volunteers, all of whom want to do as well for our children as they can. Please be constructive. Thank you.
