July 6, 2009

Dear Community Business,

Spring is fast approaching and the Mahaska County Soccer Club is preparing for another fun filled season. MCSC is a 501(c) (3) non-profit organization run solely by volunteers. The Mahaska County Soccer Club offers a unique opportunity to the community youth of Oskaloosa and the entire county with both spring and fall seasons of play. We are dedicated to offering a first-class soccer program for our community. For this reason we have developed an ongoing player development program with the soccer coaches at William Penn University. Our team numbers have continued to grow. Spring 2008 we had our largest registration count to date with 376 players giving us 33 recreational and 11 traveling teams. You can find out more about our club by visiting our website at [www.mahaskasoccer.com](http://www.mahaskasoccer.com).

Many of you have been faithful contributors each season and we have greatly appreciated your support during the past seasons and hope that you will continue to be a contributing player on our team. We understand that the current economic climate has everyone cutting back; however every dollar donated helps to provide team shirts, balls, goals, other training and gaming equipment and scholarships for underprivileged children. Last season 15 such scholarships were awarded to area youth. As in previous seasons, we are offering different options for donating: you may sponsor or co-sponsor a team for the upcoming season and have your company name and logo put on a team's T-shirts, or you may simply give an "unrestricted" donation of any amount. **Please use the attached form if you are interested in making a donation or the form is also available on our website on the forms page.** As we need to order the T-shirts before the recreational season starts, we would appreciate it if you could return this by July 31st.

Thank you very much for giving this your consideration. We hope that you agree with us that the soccer program is an important part of overall community improvement in Mahaska County and is worthy of your support. If you should have any questions at all, please feel free to contact me or any one of the board members listed on our website.

Sincerely,

*Wendy Wolver*
